30 Post General Report (10/19/00 - 11/27/00)

Dear Sir or Madam: . . .

We are responding to your letter of June 20, 2000 concerning the above report.

Line 11(a)(ii), Column B is correct as previously filed. The 9/30/00 report indicated \$400 year to date contributions. The 10/18/00 report indicated an additional \$1,750, but the year to date column also reported (erroneously) \$1,750 due to an apparent software footing error. It should have reported \$2,150 year to date. Enclosed is a corrected page 2 of that report. The additional \$200 in the 11/27/00 reporting period thus correctly reports a year to date total of \$2,350.

Also enclosed is a corrected Detailed Summary Pages 2 to report the corrected year to date totals for lines 22 and 23, due to a previously amended report reclassifying an amount from line 22 to line 23.

If you have any questions regarding this amendment, please feel free to contact me.

Sincerely,

Alan W. Groesbeck
Treasurer
